ABOUT CAVC

Community Action of Ventura County was incorporated in 1965 and charged with eradicating poverty in Ventura County. Through advocacy for all communities, partnerships with social service agencies, and offering direct services, CAVC has served every household in every community and every city in Ventura County for nearly 60 years.

OUR MISSION

Helping our community establish pathways out of poverty through advocacy, partnerships, and services that promote dignity and self-sufficiency.

Sponsors of *40 Years of Action* make direct and significant impact on the lives of residents and families across Ventura County by supporting CAVC's advocacy, partnerships, and services. Sponsors gain visibility and increased brand awareness alongside an organization with over 50 years of caring for Ventura County to its name. Sponsors will be named at the event, in media outreach, and in other materials.

Poverty is a stark reality in Ventura County. Nearly 1.5 of every 100 Ventura County residents received services from CAVC in 2022, and in one of California's most expensive real estate markets, that number is likely to grow as more and more families struggle to live comfortably in their homes.

Together, we can do more than ever to lift every Ventura County community out of poverty. Your support of CAVC is your commitment to do everything you can to care for your neighbors and their families who may be struggling without knowing where to go for help.
